

Transcript of radio show from the 30

with her ... with the school where she worked with a particular hot food team. She was one of the coaches and she had arranged to stay with them for

could be said that he was shown or that he decided right there and then to do this, but the same result occurred. He knew that he had to go over and tell M

By ourselves we can't do this stuff. If we have the inclination to do something there will be people involved. There will be events involved. There will be actions involved and its up to us individually to

Get some help.” Andrew said, “No way. This is too late and the people are going to be wondering who am I and all that stuff .” So the human part of him acted up, you know? Ten minutes later, “Go and

And another one of these experiences happened where he took a break and at the point where he had taken a break was a house and the first time a van

vital to have these handlebars swivel freely, even though it may have been looked upon as dangerous

So he rode his bicycle down that cul-de-sac in broad daylight, wasn't seen, and he found that beside the electrical station, a little generating station, was... it was all fenced off and everything but on the

walking in his wet suit so he stopped and put on a dark sweater that Marie had bought him, had bought him for Christmas in 2012, or 2011 (Note: it WAS 2012). But it was black with a little bit of white on the front and then he also took out his pajama bottoms or his track suit bottoms and put them over his wet suit, over his legs. [He] continued walking dow

be here and so he actually gets through to the wheel, but while he's doing that he comes across a pair

And its I wouldn't recommend everyone do this sort of stuff because there is a... you know, from

Brad told Andrew in the end, and this was just someone whom Andrew saw walking down the road in

So his body has done the best it has been able to do and it basically peters out right at the point of

GMC pickup that was towing a trailer and took him to London, or just on the east side of London, which was... it's a town on Ontario, and the gentleman said another interesting thing... he said that he'd had bad experiences with hitch hikers before. Now, Andrew didn't ask what had happened he just made a note that this man, who had had a bad experi

God's path is there, is out there somewhere and eac

Because they themselves.... you know, everyone on this planet has had something happen of this

a different type of problem. Ultimately the value is within us, we don't have... we don't have to put a value on a piece of metal or a piece of paper becau

So the powers that be want to destroy you and me and they're doing it through all these different

And I'll be taking a few days off just to recover. I'm still recovering from various things that have

“Did it feel like time had collapsed.... I often hear those who’ve come close to a near death experience. Their whole life flashes in front of th

Anyway, there's about... there's less than a minute
