Foundation

The New World Order was founded in 1943 at the first Conference between England, the United States and the Soviet Union by leading **Jesuits** in **Tehran**. It was reconfirmed at the end of World War II following the complete victory of the **Roman Cult** controlling the Roman Catholic Church in the re-establishment of effective Catholic control of the former Frankish Kingdom principalities now known as Germany, France, Austria, the Netherlands and Switzerland.

However, the term first entered the public arena in 1949 through the work of Jesuit co-agitator George Orwell and his book "New World Order" providing a chilling account of the future world under global Catholic socialism (Fascism).

At the heart, the New World Order is a defined membership of global financial, political and industrial consortium based around the underlying massive financial assets of the Catholic Church based from **Zürich** still in control of the Jesuits and their continued monopoly as the only organization in Catholic history (excluding the Knights Templar) to hold a Papal document granting them exclusive rights to conduct banking and financial activities.

As the New World Order is a consortium of financial, political, military and industrial entities, its precise structure, rules of operation and agenda remains difficult to precisely confirm. For example, a few dozen private banks in Europe and the United States first formed by the Jesuits in the 18th and early 19th Century continue to remain the foundation pillars of the global finance and credit system -- the same private banks that have withdrawn hundreds of billions of dollars of credit from the global financial system in 2008 and 2009 causing what was a localized credit squeeze of bad loans into a global depression.

The New World Order also maintains a political military structure through co-operative ties between intelligence agencies and large private and public arms manufacturers such that this apparatus serves to protect the interests of the Catholic Church across the world.

The New World Order also represents a discrete group of global companies, principally involved in industries such as pharmaceuticals as well as substantial media and publishing interests, again which have successfully maintained protection against Catholic interests, with the exception of unavoidable occasional public scandals such as ongoing pedophilia by priests.

The Jesuit Civil War (1942-1945)

In 1941 aged 75, Count Wladimir Ledochowski -- Jesuit Superior General -- was at the height of his supremacy, a still fit and completely driven man. His army of Jesuit influentials had similarly reached great heights in all places held by Catholic Dictators as well as the United States. So why would a civil war between factions of the Jesuits break out at such a time?

One of the great historical anomalies is the behaviour of both **Adolf Hitler, Fr Himmler S.J.** and **Fr Joseph Stalin S.J.** in the Nazi Russian Invasion. Contrary to spin historians, these men had not only shown ruthless pragmatism in managing power until this point, but were actively working together on a number of military and scientific fronts until the invasion.

A frequent excuse given is that fiercely Catholic Hitler had become “drunk” with power and decided to invade Russia because he hated the Russians. But Hitler was a mere soldier, compared to Fr. Himmler S.J. the new Grand Inquisitor of the Roman Catholic Church and his massive army of assassins and torturers.

Instead, it is much more certain that Jesuit Superior General Ledochowski instructed Himmler to push for the assault on the understanding this would complete a clean sweep of Catholic National Socialism over Catholic National Communism. Similarly, it is clear that Count Ledochowski said something in reverse to Fr Stalin S.J. – that this was the plan that would ultimately destroy Germany as Stalin’s behaviour against his own country and people was nothing other than treacherous.

When Hitler invaded in June 1941, Fr Stalin -- against every other example of ruthless judgment to protect his own power -- seemingly invited for his troops to be slaughtered and defeated by refusing his generals to fully engage, then having the generals executed and then repeating the bizarre process almost up to Moscow.

However, by the bleak Russian winter of December 1941, the jaws of the Jesuit Soviet Machine clamped down shut on the legs of the German Army. From this point on, the fate of the Nazi dream and power were sealed.

For such a loyal German Jesuit as Fr Himmler S.J. such deliberate trickery by Ledochowski would have been devastating and unforgivable. The Jesuits had shifted their power away from Germany, France and Italy to America -- for the first time in the order’s history.

On December 13, 1942 (aged 76) Count Wladimir Ledochowski died suddenly --almost certainly murdered by the very best assassins of Fr. Himmler for his treachery in dooming the German-Swiss –French “Illuminati” Jesuits.

Technically this act immediately plunged the Jesuits into Civil War. Unable to convene a General Congregation until the end of the War --when all Jesuits have permission to elect their leader --Vicar General Norbert de Boyne could not be made Superior General. This left the American Jesuits, led by **Fr Edmund Walsh S.J.** free to pursue their agenda along with other international factions.

The German-Swiss-Italian-French Jesuits during the war headed by Fr Heinrich Himmler S.J. represented the “Illuminati” – the old guard who had been betrayed by their slain leader Fr Ledochowski S.J. The other camp representing the new guard, the “New World Order” headed by the American-Canadian Jesuits and allies along with English and even Australian Jesuits.

Midst the two warring camps of Jesuits were “neutral” provinces such as the Netherlands and Spain, still battling for its survival against the popularity of the Vatican sponsored Opus Dei Mary (**Mari**) Spanish Satanic devotion cult.

It is during this event, in which unprecedented number of Jesuits were killed that the plan for the New World Order was hatched by senior Jesuits such as American Fr Edmund Walsh S.J.

The plan was confirmed by the Jesuit officials that accompanied each of the world leaders of Roosevelt, Fr Stalin S.J. and Churchill to the conference at **Tehran** in December 1943.

It is there we see for the first time the unveiling of the public face of the New World Order – an order of opposing “friends” and ideologies- capitalism vs communism, but all ultimately financed and directed from the same machine.

Reporting structure of the New World Order

The New World Order maintains no official head office, other than the existing structure of the Catholic Church. Nor does the New World Order maintain secret archives or attend "secret" meetings in oak panelled rooms.

The entire structure, apparatus and relationships of the New World Order is largely in the public eye "hidden in plain sight" and has been scrutinized countless times by investigators and co-adjutors publishing misinformation.

For example, important New World Order meeting groups such as the Bilderberg Group and the Trilateral Commission bring together many of the key members of the New World Order, but with discussions on subjects that to any observer would be regarded as largely "benign".

This is particularly the case in regards to the core reporting and power structure of the New World Order today. Excluding major meetings of members "hidden in plain sight", Jesuit Provincial Generals have divided their armies of priests into specialist areas -- each assigned the task of involving themselves with key people in that area of expertise to such an extent that their relationships and meetings seem both normal and natural.

For example, where a Jesuit who is regarded as a top lawyer and expert in Constitutional law meets with legislators, it seems both normal and devoid of any ulterior motive. When a Jesuit is an expert in a field of science, or politics the same can be said.

Thus the real power of the New World Order rests at the lowest levels of the Jesuit structure, with one part of the Jesuit organization never having a complete picture of what the other side knows unless they are at the level of Provincial General.

The eventual truce in the civil war of the Jesuits came in the form of a compromise of power- the New World Order is in fact a very clear and precise six (6) level pyramid of power.

Jesuit Factions of the Jesuit Order

Black Pope- Jesuit Superior General

Jesuit Order and Financial, Corporate and Military Apparatus

Re-constituted Illuminati Families (under the structure of the New World Order)

Holy See (with Pope as its head)

United Nations

It would be incorrect to say that the Black Pope is the most powerful person on planet Earth. Since 1945, the role has been largely symbolic and held by a candidate from a neutral country between the main factions of the Jesuit Civil War. As such, the role has been dominated by both Dutch and Spanish candidates.

The most powerful force within the New World Order is unquestionable the Provincial Generals of the Order- the most senior factional leaders of the Jesuits who continue to hold a truce since 1945. While the Superior General can technically give absolute orders to his provincials, in practice it has been the other way around for over sixty years.

Then we come to the third layer being the Financial-Military Apparatus which few people who believe in the existence of the New World Order would argue. However, few have ever heard of the real foundation of the global financial system in the early 19th Century using Jesuit controlled gold stolen from the Vatican during the Jesuit-Papal Wars to fund an army of private banks in Europe and the United States.

Then we come to the fourth layer of the New World Order apparatus being the reconstituted "Illuminati" families from the United States, Europe and even Asia/Middle East. They have no control over the Jesuits, nor do they wish to challenge them in any way as their various positions from Royal families, occasional Presidents, Prime Ministers and global leaders is dependent upon the favourable patronage of the Jesuits.

The fifth layer of the New World Order apparatus is the **Holy See**. Contrary to common misinformation, the role of Pope is now of secondary importance to the legal apparatus of the Holy See --The Holy See, being the legal framework that claims Vatican superiority over all other laws of man as well as complete dominion over animals (humans being classed as animals by their laws). It is the papacy and Vatican curia that in recent years has waged and increasing PR war in revealing more and more of the New World Order apparatus against the Jesuits.

The sixth layer is the United Nations and legal apparatus which recognizes the **Holy See** as a legitimate state and entity, therefore its laws, therefore every national laws as subservient to the United Nations.

The Great Depression of 2009-2012

In 2008, the **Illuminati** bankers under the control of the **Roman Cult** in **Zürich** used their banks and gold holdings to launch a pre-emptive strike against the **Jesuit** controlled finance system--choosing the sub-prime crisis as the catalyst.

In spite of the lack of real gold underpinning the modern global financial system created by the Jesuits, the creativity of banking and governments had managed to avoid a major financial debt fuelled meltdown of the system several times since its creation in 1945.

However, under the New World Order power structure, the Holy See and the Illuminati of cities such as the Munich and **Zürich** are subservient to the Jesuits --as they have been for 200 years.

Using the sub-prime crisis, the Vatican controlled banks simply refused to renew fresh lines of credit underpinned by real bullion into the system in the second half of 2008 and again at the start of 2009, causing the whole financial system to effectively "seize up".

Contrary to early reports, this does not appear to be a Jesuit driven action but a deliberate action on behalf of the Illuminati families and the Vatican against the Jesuits in the hope the the resulting social turmoil will set the conditions for future war.

Evidence that we are witnessing a war within the power structure of the New World Order can be seen by recent extraordinary negative and disruptive comments from the European Union and Commissions against plans by the United States to trade out of crisis.

There can be no doubt we are in the middle of the greatest power struggle since World War II. It is uncertain whether the Jesuits will prevail and the system restored to order, or whether the Vatican and Illuminati will succeed in breaking the shackles of forced subservience after 200 years.
