

Motu Proprio of Francis and why by Rule of Law means no one

10 This being the second highest law.

11 No lesser law may contradict it.

12 A law be custom and ceremony over time.

13 This being the third highest law.

14 A rule that is secret cannot be a law;

15 A rule that is unclear in meaning cannot be a law.

16 A rule that cannot be applied cannot be a law.

17 A rule may be written by sign or symbol,

And yet in most if not all Western democracies, laws now exist that mean people acting in the capacity of public officials as judges, magistrates and politicians are immune from prosecution – in the case of judges in many places even if clear demonstration that they acted improperly and with malice exists.

or are frustrated at Frank O'Collins or Ucadia. I can completely empathize how frustrating and aggravating it might be for some to see the constant changes and corrections associated with the Ucadia model - all the while wondering when it will be implemented into some practical form in communities.

In response, I have been overwhelmed by the emails and texts of goodwill from so many of you who took the time from last weeks blog to express your own opinion and free will that you

To see the apparatus for what it is- without any supernatural mysticism. Not to be distracted or beguiled by constant nattering of secret rituals, secret meetings, secret symbols and the like. Not to be tricked down yet more rabbit holes of research of who is in power, their insane objectives and their mentally unstable views on history and spirituality. To name a thing for

It is the dog with a bone that won't give up. It is the obsession, the addiction, the condition. Mind virus looks for reasons to separate us from life, to focus on mind, and the complexities of mind.
